

Veterans Support

During this challenging time please remember that some veterans, their families and more vulnerable members of the community will become quite isolated over the coming weeks.

If you are aware of a veteran, a family member, a neighbour or know of someone in your community who may be vulnerable or uses our services, please keep an eye on them (in compliance with HSE guidelines).

Please ensure they have a phone they can use.

If you are worried about the welfare of a veteran, please contact

There is a lot of untrue stories being published as Fact. Please ensure to get your Facts from credible sources, the HSE website for information on COVID 19 is:
